

NORTH WEST UNITE AGAINST FASCISM

“GRIFFIN MUST GO!”

Get the fascists out of the North West!

In 2009, the fascist British National Party (BNP) broke through into mainstream British politics when they won two seats in the European Parliament. BNP leader and Holocaust denier Nick Griffin was elected as a Member of the European Parliament (MEP) for the North West. *Griffin does not represent the people of our region – this fascist was elected with only 8% of the vote.*

Griffin’s election was followed by an increase in violent racist and homophobic attacks across the North West.

The fascists’ success at the ballot box has been accompanied by the racist thugs of the English Defence League (EDL) spreading racist violence across Britain. The BNP has strong connections to the EDL.

Unite Against Fascism is launching our “Griffin Must Go!” campaign to get this fascist out of his European parliament seat for the North West.

Signatories supporting the campaign include Brian Simpson MEP, Claude Moraes MEP, David Watts MP, Alison McGovern MP, Julie Hilling MP, Peter Hain MP, Billy Hayes (general secretary, Communication Workers Union), Lindsey Kell (Bolton councillor for Horwich & Blackrod), Manchester Community & Mental Health Unison branch and others.
